

## NEWARK SAVINGS BANK SUSPENDS

### W. G. Taafel was Appointed Receiver for This Well Known Institution Today.

### J. F. Lingafelter, the Cashier Left on Morning Train For Columbus.

### Receiver Says That the Bank Will Never be Reopened.

### The Shortage in the Bank is From \$30,000 to \$45,000 as far as is Now Known--The Homestead Building Association is Safe as a Mortgage for \$50,000 Protects It.

It is confidently asserted that no one outside of the stockholders of the Newark Savings Bank will lose a cent by the suspension of that institution:

The Homestead Building Association is amply protected from any loss by securities given by Mr. Lingafelter and will resume business next week. The bank will not reopen.

**MR. LINGAFELTER FOUND.**  
Special to The Advocate.

Columbus, O., May 21.—James F. Lingafelter, the Newark bank cashier, was located at the Park View Sanitarium, where he is now under the care of Dr. Radebaugh, who says Mr. Lingafelter is suffering from nervous disorder, but should be well in a couple of days. He will make no statement.

**"BOB" BLAMES MR. SCHAUS.**  
Special to The Advocate.

Columbus, O., May 21.—Robert Lingafelter said to The Advocate correspondent that his father was not short in his accounts, but that L. P. Schaus decided to close the bank.

The doors of the Newark Savings Bank were closed Saturday morning. All indications point to a shortage of anywhere from \$20,000 to \$45,000.

At an early hour the report was circulated that the bank had closed and that the cashier, Mr. J. F. Lingafelter, had left Newark. People congregated in front of the bank on the north side of the square in crowds. Many in the crowd were women, who had deposited their all in the institution, and these were fearful that they had lost their little possessions. Anticipating that the crowd might become excited and cause trouble, Officers Carroll and Zergeibel were sent to the place and patrolled up and down for some time. However, the people here were quiet and accepted the closing of the bank as a matter that cannot now be prevented. All sorts of rumors were circulated, some to the effect that officers of the institution were short many thousands of dollars and that a particular officer had left the city. There is no verification for these reports and Mr. Taafel, receiver for the bank, was not ready to make a statement to the effect that there had actually been any dishonesty, although indications point to a shortage of some kind.

About nine o'clock Saturday morning a petition praying for the appointment of a receiver for the bank was filed with the clerk of the common pleas court. The petition claims that the liabilities of the bank are over \$200,000 and the assets are only \$170,000, showing a shortage of at least

\$30,000. The petition was filed by Lewis P. Schaus and is as follows: State of Ohio, Licking county: Court of Common Pleas.

Lewis P. Schaus, on behalf of himself and all other stockholders and creditors of the Newark Savings Bank Co., Newark, O., Plaintiff,

vs. The Newark Savings Bank Co., Defendant.

**The Petition.**  
The plaintiff above named brings this action for himself and on behalf of all the other stockholders and creditors of The Newark Savings Bank Company, who come and seek relief herein, and says:

That the question which is the subject of this action is one of common and general interest to all the holders of the stock of said defendant, and to all the creditors of said company. That as plaintiff is informed and believes, the holders of said stock and the creditors are very numerous, and the names of many of them are unknown to him, and it is therefore impracticable to bring them before the court.

Plaintiff further says that the defendant, The Newark Savings Bank Co., is a corporation doing business under the laws of the state of Ohio for the purposes of doing a banking business, and has had, up to the present time, its place of doing business in the city of Newark. That heretofore for a long time past said defendant has engaged in the business of receiving money on deposit subject to check, and of loaning the same as provided by law. And that the business of said defendant has been so managed by its officers that it has become insolvent and unable to meet the obligations which have matured, or to be able to meet its obligations as they will hereafter become due. That its available assets are about \$170,000.00 and its liabilities exceed \$200,000.00.

That its cash on hand subject to check is substantially exhausted, and it has a large amount of loans, some of which are due, and some of which are not yet due, but which cannot be collected in time to liquidate and pay its demands as they are presented. That its depositors are entitled to payment, and payment of a much larger sum of money than it can command, and it has been compelled to, and has suspended payment thereof.

The plaintiff further represents to the court that to allow the said defendant to proceed to undertake to do business for itself without the protection of the court will be prejudicial to all the creditors of said defendant and to the stockholders thereof; and it will be embarrassed with litigation and the attempts of creditors to obtain preferences, by attachment or otherwise, to the great and irreparable injury of all other creditors and the stockholders thereof.

to take and report to this court an inventory of all the assets and liabilities of said company; to collect and convert all its assets into money; and to obtain such other and further orders of the court herein as to the court shall be deemed just and equitable, and for all such other and further relief as the nature of the case will warrant.

By JOHN M. SWARTZ, Attorney for Plaintiff.

State of Ohio, Licking County, ss: Lewis P. Schaus, being first duly sworn, says that the facts and allegations as contained in the foregoing petition are true as he verily believes.

LEWIS P. SCHAUS.  
Sworn to and subscribed before me this 20th day of May, 1904.

JOHN M. SWARTZ, Notary Pub.

No depositor in the bank will lose one cent. The depositors will be paid in full and the loss, if there is any, will come off of the stockholders.

Mr. W. G. Taafel was seen by an Advocate representative and he made the following statement:

"We have no means of knowing just what the shortage is or whether there is any or not. Of course, we have good reasons for suspecting it or we would not have asked for a receiver. For the past year the officials of the Homestead Building association have been carrying on an investigation of their books. Mr. A. M. Weber, an expert bookkeeper, having been hired for this purpose. It had been our intention to have him go through our books when he had finished with those of the building association. However, we grew tired of waiting, and about two weeks ago we decided to make an investigation ourselves. With this object in view we made an incomplete and rather hurried inventory of the money on hand and had cause to believe that there is a shortage of something like \$40,000. In Mr. Lingafelter's last statement he gives as resources the following statement: Due from other banks, \$14,812.13; cash items, \$3,412.58; cash on hand, \$27,562.30; total, \$45,786.01. This amount of money we should have found or paper to represent it. We were unable to find anything of the kind. Consequently, we asked for the appointment of a receiver. It would have been impossible to have conducted a thorough examination with the bank in operation and for that reason we have closed the bank and had a receiver appointed. It is not our intention to ever open the bank again.

"It is possible that there is no short age. The bad financial condition may be due to losses on loans and we may yet find mortgages or other paper to cover the supposed shortage.

"Under the circumstances we cannot accuse anyone of wrongdoing and have no intention of doing so unless we have conclusive proof of the fact.

"I would like to say that the public shall know every fact connected with the matter. We do not intend to do business again and have no cause to hold back anything.

"Monday morning we will begin the investigation and will go thoroughly through all the money on hand and all the paper, notes, mortgages and books, and when this investigation has been completed we will make a complete statement of the actual condition of affairs."

Mr. J. F. Lingafelter was seen by an Advocate reporter about ten o'clock Saturday morning and she anxiously inquired about the rumors being circulated regarding the condition of the bank.

Her statement was as follows: "Mr. Lingafelter has been in poor health for some time past and has not been able to sleep at all for the past two nights. He has been on the verge of nervous prostration and his physician advised him to leave Newark for a few days in order to get a rest and to avoid vexations in connection with the bank trouble.

"He left in company with his son, Robert, this morning for Columbus,

but will return on Tuesday of next week. He went on the nine o'clock Pan Handle train and is with his physician in Columbus."

"Who is this physician and what is his address?"

"I would not care to state and do not think it necessary. I know his address and if it is necessary I will tell it."

"Robert will return to Newark this evening and I will then go to Columbus to be with Mr. Lingafelter. I do not know what train he will return on. He will telephone to me this afternoon."

"I wish you to state that the bank is entirely solvent and that Mr. Lingafelter will oppose the action ordering the appointment of Mr. Taafel as receiver. The bank is able to pay all its obligations and will do so unless the receiver and other new officers take all the money in salaries.

"Mr. Lingafelter had been a little slow in his collections and this caused the trouble. The bank should have borrowed for a few days and the matter would then have been all right. Other banks do this and the Savings Bank has done so two or three times.

"There is absolutely nothing to the personal rumors being circulated about Mr. Lingafelter. He is in Columbus, and if it was not for the fact that I do not want him to be disturbed I would tell you his address."

**BUILDING ASSOCIATION SAFE.**

A mortgage for \$50,000 has been filed for record in the office of Recorder J. W. Rutledge, the instrument being executed by James F. Lingafelter and wife to the Homestead Building and Savings company. It covers real and personal property as follows:

160 acres in Lima township, Lot No. 13 in Pataskala. 67 acres in Franklin township. 23 acres in Mary Ann township. Inlots 3121 and 3122 in Newark. Inlot 909 in Lewis & Evans' addition. Inlot 2470 in James H. Smith's addition. Inlots 2521, 2522, 2523, 2505 and 2508 in Warwick's addition. 18 lots in Clinton and Lingafelter's addition.

The Lingafelter homestead property, corner Second and Church streets. Part of outlot 15 in Moore's addition. Lot 2349 in Miller's addition. Lot 55 in Flory's addition. Lot 526 in Stickle's addition. 5 acres in Newark township. Lot 232 in Wells & Miller's addition. 180 shares of Newark Savings Bank company's stock. Six shares Newark Gear Wood company's stock.

This mortgage for \$50,000 was given to cover any shortage that was suspected to exist in the accounts of Mr. Lingafelter as secretary of the building association and is ample for this purpose.

It can be said with certainty that those who have savings in the building association will not lose a cent.

**STATEMENT OF BUILDING ASSOCIATION OFFICERS.**  
The officers of the Homestead made the following statement Saturday afternoon:

who have money in the institution can rest assured that the association is ready to meet all obligations.

"The receivership is asked for because of the excitement connected with the matter, which necessarily interferes with the carrying on of business."

**INSTITUTION'S OFFICERS.**  
The officers of the Newark Savings Bank company are as follows: L. P. Schaus, president; Wm. Christian, vice president; Wm. E. Miller, treasurer; W. G. Taafel, secretary; J. F. Lingafelter, cashier; directors, L. P. Schaus, Henry Scheidler, Wm. Christian, Wm. E. Miller, Z. T. Duer, J. F. Lingafelter, W. G. Taafel.

The officers of the Homestead Building and Savings company are as follows: C. W. Bourner president; Wm. J. Shields, vice president; J. F. Lingafelter, secretary; Geo. P. Webb, attorney; directors, J. F. Lingafelter, G. J. Maurath, Wm. E. Miller, C. W. Bourner, Wm. J. Shields, F. J. Bader, Wm. Tracey, Chas. Holbert, George P. Webb, A. R. Schaller and J. M. Farin cr.

The following sworn statement of the condition of the Newark Savings Bank was filed April 7 by Mr. Lingafelter:

**RESOURCES.**  
Loans ..... \$162,812.94  
Overdrafts ..... 6,815.22

JOSEPH RENZ, Notary Public,  
For Licking County, Ohio.

**RECEIVER FOR BUILDING ASSOCIATION ASKED.**

The officers of the Homestead Building and Savings Company ask for a receiver, not because of any insolvency, but in order that the business might be transacted in the future, by protecting the association from the excitement of the people who have money in the institution.

**MR. LINGAFELTER'S AUTO**  
Was Shipped to Columbus Saturday Afternoon.

Mr. Lingafelter was seen boarding the train Saturday morning. When asked where he was going he said to Columbus and stated that he would return at two o'clock Saturday afternoon.

Early Saturday afternoon Mr. Lingafelter's automobile was shipped to Columbus by the Pan Handle. It was placed on a car ready for shipment. Just what use Mr. Lingafelter will make of the automobile is a matter of conjecture.

**CAUSE OF THE TROUBLE.**

It is the general impression that Mr. Lingafelter's trouble, if there is any, is due to the wildness of his son, Robert. The latter, as is known to nearly every person in the city, has at various times caused Mr. Lingafelter much trouble. It is well known that his escapades have been the source of much trouble for his father and that Mr. Lingafelter has been compelled to pay losses occasioned by him to the amount of thousands of dollars. Many of these escapades occurred in Columbus, while others have been here in Newark.

**CLOUD BURST**

MADE RAGING TORRENTS OUT OF MOUNTAIN STREAMS, And Very Great Damage Has Been Done in Colorado by the Floods.

Denver, Colo., May 21.—A cloud-burst at the head of the Cache la Poudre river caused that stream to overflow its banks, and meager reports received here indicate that great damage has been caused by the flood.

The rush of the flood caused the

dam which holds the water of Livingston lake, 67 miles above Fort Collins, to break, and this added volume of water swept down the Cache la Poudre, practically wiping out the towns of Livermore and Laporte respectively 14 and 13 miles above Fort Collins. It is reported that one person was drowned at the former place.

At Fort Collins the river, which normally is about the width of the average mountain river, is now over a mile wide, and the Russian settlement, consisting of about 300 families, is inundated. Already a number of the frame dwellings of these people have been swept from their foundations and sent swirling along with the flood. In several instances the occupants were unable to make their escape and were carried along.

It has not yet been learned whether there was any loss of life at Fort Collins, but it seems safe to predict that there has been. Wreckage of houses, household goods and carcasses of dead animals are being carried by Fort Collins by the flood.

Although the crest of the flood has not yet reached Greeley, and is not expected until midnight, ranchmen and other dwellers along the bottoms are moving to the high ground. The Cache la Poudre river runs through one of the most thickly settled and richest agricultural districts of Colorado.

**COLUMBUS DEMOCRATS**

Endorse Col. Kilbourne for President and Elect Delegates to National Convention at St. Louis.

Columbus, O., May 21.—The Twelfth district Democratic convention today endorsed Kilbourne for President, elected James Ross and C. F. Gilliam delegates to the National convention.

The Democratic convention of Franklin county this afternoon endorsed Kilbourne for President and instructed the 35 delegates to the State convention for Webster J. Huntington for Secretary of State.

**PLUCKY**

Newsboys Held the Highwayman Till Sleuths Came and Would Not Be Bribed With Money.

New Orleans, La., May 21.—Early this morning three plucky newsboys—Herbert Murray, Johnnie Cromer and Charles Flores—caught John Knobloch, a highwayman, who had just robbed an aged stranger and held him until the officers arrived. Knobloch had enticed his victim to a dark spot in Rampart street and had stripped him of all his money, when the old man's cries for assistance attracted the passing newsboys.

The trio grabbed Knobloch, and, despite his frantic efforts to escape and an offer to divide his spoils with them, they clung to him until Detectives Dantonio and Exmichio and Corporal Long and Policeman Pollock took him in charge. The old man is Jean Cordell, of Alexandria, La., and Knobloch had relieved him of \$12.

**FATAL WRECK OF TROLLEY CAR**

Chicago, May 21.—Three persons were fatally hurt and several others were seriously injured in the destruction of a trolley car of the suburban at Seventy-third street and Railroad avenue early this morning, by an express train from the south bound for Cincinnati. The passengers were thrown in every direction. Most of them were working men. The fatally injured are: Wm. B. Hecker, Charles Phyl, Frank Peache.

**SUICIDE THROWS GOLD INTO RIVER**

Green Bay, Wis., May 21.—Between \$1,000 and \$1,500 in cash was thrown into the Fox river by Joseph Bohlen, a local brewer, at his home here, hanging. A note written by Bohlen was found near where he hanged himself, stating that the deceased had determined that his relatives, as well as those of his wife, who he claimed were trying to get his money, should not succeed in their attempt and that he had therefore thrown his money into the river.

### ACCORDING TO A DISPATCH FROM THE FRONT

### Position of Mikado's Forces Not as Bad

### AS WAS AT FIRST THOUGHT,

### And It Is Probable That a Concentrated Movement Will Be Made Soon on Port Arthur.

Paris, May 21.—La Temps has a dispatch from St. Petersburg stating that General Stoessel reports that the Russians have made a successful sortie from Port Arthur, and in a clash with the Japanese forced the latter to retreat. The Japanese casualties are said to have been 1,000 and those of the Russians 150.

### ANOTHER JAPANESE REPULSE

St. Petersburg, May 21.—A report reached St. Petersburg today of a Japanese repulse to the rear of Port Arthur. According to the report, General Stoessel, chief of staff at Port Arthur, sailed from that place to protect the train, bridging and ammunition. A skirmish with the Japanese occurred, in which the Japanese were repulsed with heavy loss. The train arrived in safety.

St. Petersburg, May 21.—A report has been received here saying that General Kuroki has been repulsed with great loss. The report cannot be confirmed.

Chief May 21.—Incoming vessels report heavy firing in the direction of Port Arthur, and it is rumored the Japanese have made all their preparations for a simultaneous land and sea attack, and have begun the bombardment in a final attempt to reduce the place, as the presence of many floating mines in the surrounding waters has rendered movements of the fleet dangerous.

A rumor is in circulation here that the Hatsuwa was sunk by a Russian submarine. Refugees from Dabny tell of submarine boats arriving on the railroad some time before the Japanese landed.

The noise of a great explosion was heard Friday morning in the direction of Port Arthur. The cause of the explosion has not been ascertained.

The Japanese are reported to be building strong fortifications at Newchwang, and to have landed many heavy guns there.

The Chinese report that in the battle near Liao Yang the Japanese were pursued for nearly 20 miles by Cossacks. Many detachments were cut off from the main body and completely destroyed.

### RUSSIANS DRIVEN BACK.

London, May 21.—A dispatch from Tokyo this afternoon reports that a force of Japanese, who landed at Taku Shan, Manchuria, on May 19, defeated a force of Russian cavalry in the neighborhood of Wang Chi Tung, Manchuria, yesterday. The Japanese sustained no losses, while the Russian loss was heavy, including the capture of a captain.

The dispatch adds that a force of Japanese have captured Kai Chow, about twenty miles southeast of Newchwang. The Russians who opposed them were driven back.

# BEAUTIFUL CHERRY VALE PARK

## THE GEM OF NEWARK HOME SITES

### A New and Startling Proposition.

Nothing Like it Ever Heard of Before in Newark. The Greatest Sale of Lots Ever Offered in Newark Will be Opened

## SATURDAY MORNING, MAY 21

And Continues Every Day Until all are Sold.

Only a limited number of lots that are worth and cannot be purchased for less than \$400 to \$500 elsewhere,

ARE TO BE SOLD AT  
**\$130 to \$175 each.**  
NONE LOWER.

A FEW CHOICE CORNERS AT  
**\$180 to \$200 each.**  
NONE HIGHER.

### Read Our Proposition

Only \$5.00 down, then only \$1 a week until paid for. No interest, no taxes until paid for. Payments stop in case of illness. Absolutely free deed in case of death. No matter how little has been paid, not a cent more is required if the purchaser dies; a Warranty Deed with good title given to the estate or family at once.

#### Where Is It?

Just one and one-half miles due west of the Court House. That beautiful high plateau lying between the Granville Street Car Line, Cherry Valley Road, and Church street extended, just east of the State Encampment Grounds, just outside the city limits and high taxes, and from which a grand view of the entire city and surrounding country can be had. The most beautiful, and at the same time the most Healthful, Sanitary and Clean place about the city. No Smoke, no Malaria, and still within Easy Walking Distance from the Wehrle Stove Works, The Newark Machine Company, The Jewett Car Co., The Fee Lumber Yards, The Newark Gearwood Co., and other factories employing over 3000 men. It is also accessible to all factories in the city. Only **one street car fare** to any part of Newark. **Labor tickets** morning and evening. The difference in taxes will pay your fare. Cellars 10 feet deep without a drop of water in them. Drive wells with the finest water may be put down any place at an expense, with pump and all complete at from \$5 to \$8.

#### How to Reach Cherry Vale Park.

Take the Granville car leaving the Suburban station on the **even hour**, get off at the Brick School House east of the State Encampment Grounds, and walk north a short distance to our allotment. You cannot miss it. We have purchased these beautiful grounds for cash. We have laid them out in large lots, mostly 50x150 feet to a 15 foot alley. We have graded the streets in good shape and have set **2 rows** of **Fine Nursery Box Elders** and **North Carolina Poplars** on each side of each St., making of this land a Veritable Park.

**The Title Has Been Conveyed to The Newark Trust Co.,** one of the most, if not the most, reliable and substantial banks in Licking County, and with which Newark's best and most substantial business men are identified. This Trust Company will collect all the money paid in on these lots, and make warranty deeds to each purchaser as soon as lot is paid for, thus insuring absolute safety to all concerned.

## We Offer You an Investment That Cannot Fail.

Banks may fail. Personal property may be destroyed. Money may be burned or stolen. Other investments may depreciate in value or fail entirely, but an investment in Cherry Vale Park cannot fail or depreciate. You buy it for less than half its value. They will all be sold within a short time, this will double their value. The growth of the city and the immutable laws of nature compels a steady increase in value. As the city grows new territory must come in. Nothing else is so available or fine as this for an addition to the city

It is a great satisfaction to own your own home. It is a solace to old age.

No interest, no tax on these lots. You know just what you have to pay.

You get a warranty deed from The Trust Company and a certificate showing perfect title.

All payments to be made at The Newark Trust Company.

We do not ask you to buy these lots on faith. Come out at our expense and look the property over. **Free Car Tickets** on the allotment, if you come out, whether you buy or not.

Come at once while you can have your choice. Every lot is a great bargain and they will go quickly on these terms.

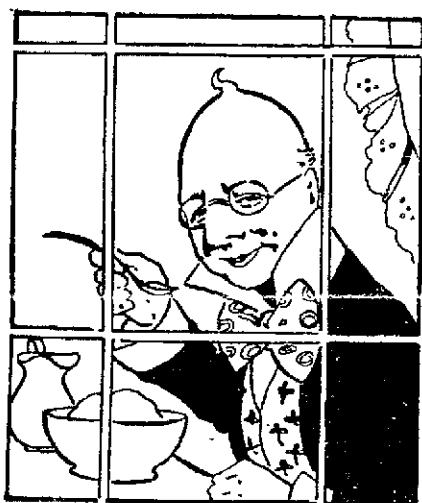

**Agents on the Allotment every day including Sunday.**

WILL PREVENT ALL WAR.

New York, May 21.—Nicola Tesla and Prof. M. I. Pupin, of Columbia university, are said to be jointly working on an invention which, if successful, will go far toward putting an end forever to warfare.

They are, it is said, planning nothing short of a wireless percussion for setting off explosives from a distance. This information leaked out at the banquet of the Slavic alliance at Delmonico's last Thursday night, at which Prof. Pupin and Mr. Tesla were guests. Neither of them, however, would confirm or deny the report.

Anthony S. Ambrose, president of the Slavic society of America, said he had heard indirectly of the plan of the two inventors. "I do know this," said Mr. Ambrose, "that Mr. Tesla at the time of the war with Spain began experimenting on just such a wireless percussion affair, but abandoned it, I believe, when the war ended. It is not at all unlikely that he has taken it up again and that Prof. Pupin, who invented the wireless telephone, is co-operating with him."

HIGH SCHOOL COMMENCEMENT TO OCCUR JUNE 2.

A Large Class Will Graduate and Dr. F. A. Wilber Will Deliver Address.

Centerburg, O., May 21.—All arrangements for the annual commencement exercises of the Centerburg High school have been completed. The class this year is a large one, having ten members, and the various exercises connected with this always important event will no doubt attract much public interest.

For the baccalaureate service, Sunday evening, May 29, the committee has been fortunate enough to secure Dr. J. Frank Smith, the eminent divine and lecturer, of Mt. Vernon. Commencement will be held Thursday evening, June 2, when the following named young ladies and gentlemen will receive their diplomas: Althea M. Cook, William H. Frederick, Grace Mae Dove, Gay H. Hulse, Lelia Adell Deboit, Leo N. Wolfe, Mabel Georgia Loxsion, Clifford M. Hicks, Irma Auriella Stradley and Walter E. Long. On this occasion the class address will be delivered by Dr. F. A. Wilber, of Mt. Vernon. Centerburg people have long entertained a desire to hear Dr. Wilber. He is a public speaker of recognized ability and will give the class and the public something good. Music will be furnished by the Centerburg orchestra.

## ODD FELLOWS

Installed Officers at Youngstown and Adjourned to Meet Next Year in Akron.

Youngstown, O., May 21.—Important matters decided by the Grand Lodge of Odd Fellows was the upholding of the decision of Grand Master Pavey in suspending Rescue lodge of Graytown, Ohio, for its refusal to expel members engaged in the saloon business, and the voting to spend \$20,000 for the improvement and building of an addition to the Odd Fellows home at Springfield.

The grand lodge finished its business at Friday morning's session and adjourned to meet in Akron on the third Tuesday in May, 1905.

At the closing session the following officers were installed: Grand master, Dr. George C. Kolb of Cincinnati; deputy grand master, I. M. Jordan of Chillicothe, grand warden, Leonard Walther of Lima, grand secretary, C. H. Lyman of Columbus; grand treasurer, C. E. Niles of Findlay.

SCHOOL CHILDREN INVITED

Prof. N. B. Yearley has received a communication from the World's Fair Children's Song Festival asking him to supply some voices for the festival which is to be held on the World's Fair grounds from June 28 to July 12. The chorus will consist of more than 2,000 voices, consisting of school children. Any Newark people who expect to take their children and conveniently do so will confer a favor by addressing Prof. Yearley as he would like to have Newark represented in the chorus. Block Industry in Utica Promises to Become an Important Enterprise in Near Future.

Utica, O., May 21.—Few of our citizens are aware of the importance of the new enterprise which has started here under the management of Mr. O. Ransom, of Mt. Vernon. Mr. Ransom does not only manage this enterprise, but is sole proprietor as well. The object of the new industry is to make cement blocks for foundations, buildings, etc. This concern also does an immense amount of work in the way of cement and concrete walks. Several new walks have been put down within the last few weeks by this concern and their work is giving the best of satisfaction.

## BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of Mother's Friend, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. Address

The Democrats this week elected their entire city ticket in Denver by a considerable majority. Nevertheless the Republicans propose to contest the result, which is not palatable to them as indicating disaster in the state at large, at the coming November election.

The South Carolina Democratic state convention gave no encouragement, whatever, to the Hearst boom. The chairman in his speech pointed out that the pivotal states of New York, Connecticut and Indiana had instructed for Judge Parker, and urged upon the convention the selection of only such delegates as could be relied upon to act in accordance with the conservative sentiment of the party. Later Senator Tillman, who was elected one of the delegates-at-large, declared that he was not opposed to the nomination of Judge Parker. The sentiment of the Southern Democrats generally, is evidently strongly favorable to Judge Parker, and also equally antagonistic to the candidacy of Mr. Hearst.

ticket and go in for a rattling campaign. The suggestion has been made before that Mr. Hearst might be placed on the ticket as the Vice Presidential nominee. But up to this time he has been so busy trying to capture first place that it is doubtful if he has entertained the thought of taking second place.

Others of his friends say it would be absurd for him to take second place now, when he has every prospect of a brilliant run for Presidential nomination in 1908. With the organization he has built up, and which no doubt he could materially strengthen within the next four years, his most enthusiastic supporters say he is the logical Democratic candidate four years hence. They urge him not to consider second place now, but to go in and support the ticket nominated at St. Louis, "be a regular," help the party and claim the reward in 1908.

**A Highly Appreciated Enterprise**

The Chown Commercial Company was invited to our city by some of the leading business men, and the system is highly recommended by those who have used it, as a reliable and valuable guide in extending credit. It has been successfully used in Newark for six years, and is one of our appreciated enterprises, as it has inspired business principles and integrity among our people.

The Chown Commercial Company conducts a system of Retail Reports which furnishes every merchant, professional and business man with a list of every individual in the county that deals with them. It also gives ratings on each individual, whether they are prompt pay, or slow pay, or whether they pay at all. These ratings are gathered from the ledgers of the different business men throughout the county and are a reliable guide in extending credit.

It is the object of this company to build up the credit of the consumer, and the only way to do this is to give their paying quality to each business man, so that he can tell who to trust as well as who to mistrust. It has been clearly demonstrated that a business can not be successfully conducted on a strictly cash basis; neither can the business man afford to credit a man who does not pay as he agrees. A prompt paying poor man is a more desirable customer than a slow paying rich man. The credit standing of the consumer is reported to the dealers for the purpose of enabling the worthy to procure credit and also for the purpose of informing the business man what customers he can with safety trust.

The Chown Commercial Company wishes to assure you that everything will be done to make this as complete and reliable a book as they have ever published. With this object in view, they earnestly invite the co-operation of both the retail merchant and consumer.

**A SIMPLE QUESTION.**

Newark People Are Requested to Honestly Answer This.

Is not the word of a representative citizen of Newark more convincing than the doubtful utterances of people living everywhere else in the Union?

Read this:  
Mrs. George Graff, of No. 25 Spencer street, says: "I had had a terrible bad back, which successfully resisted all efforts made to relieve it in the way of medicines and plasters. It was just across the loins, where the greatest strain falls, so that I could not get up when I was down, I awoke in the morning scarcely able to lift my body. As I moved about at my household work I was often in actual torture. For three months I suffered all the time, until one day a neighbor gave me a few doses of Doan's Kidney Pills; I took them and the benefit was so apparent that I sent to Crayton's drug store and procured a box. Before very long I discarded the plasters, the kidney secretions looked clear and natural, and I had not a pain in my head or back."

**WILL BE THE COMING DEMOCRATIC STATE CONVENTION.**

Platform Likely to Be on State Issues—Presidential Preferences—Candidates for National Delegates.

Columbus, O., May 21.—The Democratic state convention, to be held in this city next Tuesday and Wednesday, will be one of the most notable in the history of the state of Ohio. This is due to both national and state causes, for never before have local and general issues combined in such a degree as now, in time of peace, to make a convention of either party in this state memorable and historic. The nation's chief interest in the convention naturally centers upon the platform and the political tendencies of the delegates-at-large, but the people of this state have a peculiar interest in the assembly on account of the vital state issues at stake and the opportunity which may be presented later on to correct some of the abuses due to Republican rule in Ohio during the past few years.

From the county conventions thus far held, little doubt now seems to exist that the coming convention will voice the sentiments of the so-called conservative element of the Democracy. This does not mean, however, that any Democratic tenet or leader of recent years is to be repudiated, or that any who has attempted to betray the party in the past is to be entrusted with leadership now. It means simply that the Democrats of Ohio will undertake to find those things in regard to which they are agreed and then to stand loyally by them, but not to waste time in discovering issues in regard to which there is disagreement among them.

There is still a disposition among many of the party to adopt a platform primarily for the Democrats of Ohio—one making clear and emphatic the vital state issues raised by Republican policies in the past few years, and leaving the discussion of national questions in detail to the national convention, which will follow the state convention by a period of only six weeks. There will be some differences of opinion as to the advisability of this program, which may give rise to an animated discussion on the floor of the convention; but the tendency to keep state issues to the front now appears the one most likely to prevail.

Various presidential favorites will be represented in the convention. No instructions will be given for any candidate and it is not likely that any will be offered. The longest step in the latter direction might be a general resolution without instructions commending Colonel James Kilbourne to the national convention, but even this is not likely to present itself. Nevertheless a majority of the delegates will be in favor of Colonel Kilbourne's nomination under conditions agreeable to the Eastern Democracy. Judge Parker will have a large following in the convention and Mr. Hearst will have friends not so numerous as either of the last two mentioned, but probably more vociferous. A second Ohio presidential candidate is very likely to appear at any moment in the person of Hon. Judson Harmon of Cincinnati.

There are likely to be many candidates for delegate-at-large, but few will avow their intention before the advance guard of the convention arrives on the ground. Among active candidates at present are Hon. W. S. Thomas of Springfield, and General E. B. Finley of Bucyrus. Hon. Horace L. Chapman of Columbus, is a receptive candidate and will very likely become an active one. The same may be said of ex-Mayor Edward H. Moore of Youngstown, while Hon. Walter B. Ritchie of Lima, has the endorsement of his own district, and his name for this honor has been favorably received in many parts of the state. Hon. M. A. Faugherty of Lancaster, will be a formidable candidate if he enters the field.

**May Come to Idlewild.**

Dr. H. C. McCurdy, Louis Brandel, J. P. Calaban, George Caton and Theodore Agnew left Wednesday morning for Newark and Mt. Vernon to visit the parks in the two cities and report on the advisability of holding the annual Business Men's picnic at one of them. The gentlemen also expect to visit Myers Lake at Canton before a final decision is reached—Coshocton Age.

**Don't Neglect Yourself.**  
1488 Second Street, Louisville, Ky., April 14, 1903.  
I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience. His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it. I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

**WINE OF CARDUI**  
Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once.  
All druggists sell \$1.00 bottles of Wine of Cardui.

### CAREER

Of the Young Man Absalom to Be Presented at Taylor Hall Sunday Afternoon.

The career of the young man Absalom will be presented at the men's meeting in Taylor Hall tomorrow afternoon by the Messrs. Charles Flory, Jos. N. Pugh, I. N. Palmer and E. P. Childs, all of the Second Presbyterian church.

This is the fourth service in the series on "Young Men of the Bible," given by the young men of the different churches.

The music tomorrow will be furnished by the quartet choir of the Second Presbyterian church.

This should prove an interesting service. All men are invited. Service lasts but one hour—2 to 4 o'clock.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre, of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by Hall's Drug Store. Trial bottles free. Reg. sizes 50c, \$1.00.

### SUCCESSOR

To Bishop Bashford as Ohio Wesleyan's Head, Will Probably Be Prof. T. G. Dwall.

Delaware, O., May 21.—Talk here today is all on the probable successor to Dr. James W. Bashford as president of Ohio Wesleyan university. Dr. Bashford is expected back in Delaware June 4 and will undoubtedly continue at the head of the institution for the present school year.

A meeting of the trustees of the college will be held here in the near future, and it is the general impression that Prof. T. G. Dwall, present dean of the school, will be appointed temporary president for next year.

### GRANVILLE NOTES.

At a well attended meeting of the Granville Centennial association held in Granville Friday night it was decided to hold the Centennial during the second week of October, 1904. This was the unanimous decision of all who were present.

The Entertainer Literary society held the annual commencement for their seniors on Friday evening. A very interesting and original program was presented, after which the three seniors, Misses Janet Jones, Mable White and Maud Jones, received their diplomas from the society.

Mrs. Burton Case left Saturday for Vassar College, Poughkeepsie, N. Y., to attend the Vassar conference and Miss Sophia Case is graduated from Vassar this June.

On next Tuesday evening Miss Beatrice Harty, assisted by Miss Nellie Newton, will give a recital in Berlin Hall.

The funeral of the late Abner S. Brown, who died Thursday, will take place Sunday afternoon at 2 o'clock at the Baptist church and the service will be conducted by Dr. Palmer. The interment will be made in the college cemetery.

## WEEK'S Society and Club EVENTS

Mrs. George Webb entertained the Mary Webb Memorial Circle of King's Daughters last Tuesday evening at her home on West Church street.

The eighty-eighth birthday of Mrs. Elizabeth Metz was celebrated with a dinner party on Monday, at her home on the corner of Oakwood avenue and East Main street. The guests were the children and grandchildren.

Misses Nellie Galloway and Katherine Messenger entertained with a progressive "Finn" party at the home of Miss Galloway, May 13. The guests were Mesdames Marshall, Wilson, James and Lewis; Misses Rossel and Duncan, and the members of the Photozetean club.

The recital given by Mr. Ball at the Baptist church last evening was attended by a large and appreciative audience. The effect of folk songs, which are largely founded on heroic deeds, is to stir the inmost soul of all hearers, and Mr. Ball's sympathetic voice brings out to a nicety the true idea of the song writer. Mr. Ball will shortly give another recital.

The Daughters of the American Revolution were entertained this afternoon by Mrs. Anna Black, at the home of Mrs. F. M. Black on Hudson avenue. The chief interest of this meeting was the report of the National convention of the Daughters of the Revolution which was held at Washington, D. C. The report was given by Mrs. J. M. Graham of Baltimore, who was a delegate to the convention. At this meeting the members of the

church chapter presented to Mrs. T. M. Montgomery, who is soon to leave the chapter, with a pin, the Daughters emblem.

Mr. and Mrs. Ed Wilson entertained the Jolly club last Saturday evening at their home on Hoover street, in honor of Mr. Wythe Wilson and Mr. Adam Snyder of Zanesville. Music and cards afforded the evenings' entertainment, the music being furnished by the Imperial orchestra composed of Messrs. Frank Getroe, Albert Gruber, Raymond Penneb and George Fricht. A dainty supper was served. The guests were Misses Margaret Holtschulte, Mattie Robinson, Regina and Katie Holtschulte; Messrs. Andrew and Leo Holtschulte, William Lynn, Clarence White, Mr. Rarick, and Wylie Wilson and Adam Snyder of Zanesville.

Miss Lillie Shamp delightedly entertained "The Musicale," at her home on East Main street. Light refreshments and a fine program was enjoyed by all. Following is the program carried out:

Piano Solo—Maude Johnson.  
Solo—Goldie Cook, accompanist.  
Helen Goff.

Piano Duett—Helen and Fanny Barnes.

Piano Solo—Iona Smith.  
Solo—Helen Barnes, accompanist.  
Fanny Barnes.

Piano Solo—Mae Evans.  
Piano Duett—Helen Goff and Fanny Barnes.

Piano Solo—Lillie Shamp.  
Miss Lyon and Mrs. Apoy entertained the C. L. S. C. on Monday evening May 16 at the home of Mrs. Apoy, 152 Columbian Heights. The program was as follows:

Poll Call—Current Events.

City Life, Crime and Poverty—Mr. Leist.

American Sculptors and their Art—Mrs. Crouch.

The Bahamas and Caribbees—The Circle.

Reading—Poems, Mrs. Wiegand.

Conclusion of Evolution of Industrial Society—Mr. Randolph.

Light refreshments were served after the program. Mr. and Mrs. Charles Long were guests.

A party of merry young people spent the day at the pretty home of C. G. Kromer, two miles south of City Lick, a few days ago. The day was spent with music and in rambling over the farm of which the scenery is lovely. A fine country dinner was served at two o'clock, which all enjoyed immensely, and in the afternoon Mr. and Mrs. Kromer rendered some fine violin and piano selections.

There was much amusement at the expense of two of the young men, who on leaving the car, started to run in order to reach the home before the carriage. They lost their way, and did not arrive until sometime after the carriage, having walked

nearly to Zanesville. All had a most enjoyable time, and we are waiting for another invitation.

Mr. Martin Ferrell entertained a few of his many friends at the home of Mr. and Mrs. A. F. Henley Friday evening with some fine phonograph selections. The guests were Mr. and Mrs. J. E. Fisher, Mr. and Mrs. G. J. Fisher, Mrs. J. C. Richardson, Mrs. C. L. V. Powell, Mr. and Mrs. Charles Irwin, Misses Mamie Williams, Eva Richardson, Bertha Williams, Blanche Hunter, Sarah Goodwin, Marjorie Fisher, Minnie Henley, Josephine Fisher, Nellie Fisher, Messrs. Joseph Williams and Albert Henley.

Mrs. Jessie Black entertained the Fleur de Lea embroidery club Friday afternoon at her home on Pine street. Those present were Mrs. Butterfield and daughter, Christina, Mrs. Anna Galloway, Mrs. Loe Galloway, Mrs. Emma Leonard, Mrs. May, Mrs. Bailey, Mrs. McVey, Mrs. Swartz, Mrs. Kinney, Mrs. Yantz. The guests of the club were Mrs. Baker and daughter, Helen. Light refreshments were served. The next meeting will be held at the home of Mrs. Emma Leonard on Pine street.

One of the prettiest events of the past week was a birthday party given by Mr. and Mrs. John Renz on Florence street in honor of their daughter Ruth's eleventh birthday, Wednesday afternoon from four to seven. Games and music were the chief features of the afternoon and at six o'clock the guests were invited into the dining room which presented a beautiful May day scene. The colors were lavender and white. Ribbons extended from the chandelier to each place representing a mock May pole and at the end of each ribbon a souvenir for the guests. The floral decorations were violets and ferns. Miss Ruth received many beautiful presents one of them being an elegant piano presented to her by her father and mother. Those who enjoyed the hospitality of the afternoon were Daisy Taylor, Goldie and Hazel Cook, Ruth Kastla, Ethel and Beatrice Yarns, Marjorie Lawhead, Stella Huffman, Mabel Metz, Ruth Henderson, Eva Owens, Annabel Ford, Blanche Blynn, Nina Norris, Mary Maueha, Queen Masters, Mildred Gore and Ruth Renz.

The most important social event of the week was the large dancing party given in Assembly Hall on Thursday evening by Mr. and Mrs. F. S. Wright in honor of their neices, Miss Reese on Columbus, Ohio, and Miss Isabel Martin of Breje, Ohio. Reserving with Mr. and Mrs. Wright were Miss Reese, Miss Martin, and Mr. and Mrs. Martin. Among the guests were many who did not dance, but the dancers made such a pleasing picture with the ever varying figures of the dance and the constantly changing color impressions, that it is a question which gives the most pleasure—dancing, or watching others dance. Icees were served throughout the evening, and an elegant supper was served at small tables in the gallery. These tables were lighted with pink shaded candles, and decorated with that sweetest of May flowers, lilies of the valley and smilax. Among the guests from out of town were Miss Rockhold, Miss Duncan of Sheridan, Pa., Miss Adams of Pittsburgh, Mrs. Wilson of Urbana, Miss Rankin of Columbus, Mr. and Mrs. Martin, Miss Martin, Miss Reese, Dr. Clark Hatch, of Columbus, Miss Latimer of Middletown, Ohio, Mr. and Mrs. Meriam of Cleveland.

One of the prettiest receptions that has been held in our neighboring village of Granville for some time, was that given by Mrs. Kerr, Mrs. H. W. Howe, Miss Howe and Miss Hoover, on last Saturday afternoon at the Buxton House in that place. The rooms were beautifully decorated with ferns, potted plants, and were replete with the perfume of apple-blossoms and spring flowers. The guests, numbering nearly two hundred, responding to the invitations, filled the house with their merry chat and laughter, every one enjoying to the utmost the gracious hospitality of the hostesses.

The dining room was very pretty, the color scheme being carried out in pink and white. Broad pink ribbons crossed the table with large bows at each corner. Vases of pink and white carnations, pink candles in crystal candlesticks graced the table. The sideboard was lanked with white lilies and sprays of apple blossoms. Ice cream, strawberries, cake, kisses, coffee and chocolate was served to the guests by eight young ladies dressed in white. Miss Jones and Miss Krug presided at the table the first hour.

## SHAMPOO

That Has Been Used With Great Success by Mr. Teuscher Is Now on the Market.

Mr. A. P. Teuscher, in speaking of his new shampoo methods, lately put in use at his tonsorial parlors at 32 North Third street, made the following statement:

"I call it the 'Only Shampoo.' The reason I give it such a name is because ever since I became a barber I never saw anything to equal it for dandruff and cleaning the hair, it leaving the hair in a perfect condition, after using the shampoo.

"Ever since I opened the Massage Parlor for ladies I have used this shampoo. They have found it so much superior to anything they ever used that they desired me to use it on their children and I have consequently been forced to put it on the market. This will give every man, woman and child a chance to try it. After you try it once you will never use anything else. Our shampoo has a reputation and men that have traveled extensively and have been in the best barber shops in the country say they never enjoyed a shampoo like we give. The reason for this is that we use nothing out the 'Only Shampoo' which leaves the hair and scalp in a condition never before experienced.

"People that have used the shampoo for some time are not having any trouble with their hair and scalp. Several customers who approach-ing baldness now have excellent heads of hair. One bottle of this 'Only Shampoo' will last just twice as long as a cake of soap.

"This shampoo is so much better than anything else because it is made of eggs and other parts, no lye or acids being used. Many other shampoos contain acids or lye and are consequently injurious to the hair.

"I have long been of the opinion that the reason people are so much troubled with dandruff and falling hair is because they use strong soaps. This 'Only Shampoo' will prove to be everything I claim for it. It is sold at all drug stores and at my barber shop. Try it.

## NO KISS

From Her Sweetheart When He Left the House, and the Girl Killed Herself.

Marion, Ind., May 21.—Because her sweetheart failed to kiss her when he left her to go to his place of business yesterday, Marie Bausser, 18 years of age, drank carbolic acid and died within 30 minutes.

Miss Bausser lived in Hinton, Mercer county, Ohio. She was to have been married in June to Mark Moran, a young business man of this city. She came to Marion three weeks ago to visit Mrs. T. F. Goldwin, a sister of Moran.

The lovers are said to have disagreed about some trial maker Thursday night and when Moran left yesterday he failed to kiss his sweetheart as usual. When Moran arrived at the house and learned that his sweetheart was dead he swooned.

Cherry Vale Park Addition.

Everybody should read and take advantage promptly of the opportunities offered by the Taylor Land and Improvement company in their full page advertisement in this issue of The Advocate, of their new Cherry Vale Park addition to Newark. Nothing of the kind has ever before been offered and probably will not be offered again.

Mr. Barnett's Treat.

Mr. W. C. Barnett, the bustling gentleman who has the contract for hauling the school children in District No. 1, in Newark township, to and from school, gave them a novel treat on Friday, in which he was assisted by J. H. Reed, the teacher. The treat consisted of a ride to and around the city in the school wagon and then the wagon, with its group of smiling school children and driver and horses, was photographed by Photographer W. A. Smith. The group thus taken was a very handsome and attractive one and will make a much appreciated souvenir for the children through the courtesy of Mr. Barnett.

Miss Helen Williams, a graduate of Denison Conservatory of Music, and now studying at the Cincinnati Conservatory of Music with Mr. Douglas Boxall—a pupil of Leschetizky—will be in Newark, June 1st at Rawlins music store from 8 until 11 a. m. and will be pleased to meet any who would like to study the Leschetizky method for piano. ## FATHER

Insisted That His Boy Be Sent to Jail For Intoxication, Despite the Lad's Pleadings

Evansville, Ind., May 21.—In the mayor's court in Princeton, Ind., yesterday Herbert Gibson, aged 15, was arraigned on the charge of intoxication. He pleaded with his father to be spared the disgrace of going to jail, but the father turned a deaf ear to his requests.

"I propose to let you go to jail, and you will then learn a lesson in your early life. I insist that the mayor send you to jail, as that is the place for a boy who will go and get drunk. I have no pity on you. Your honor, I want you to send this boy to jail, and if he gets drunk again I will insist on you sending him back."

The mayor passed sentence upon the lad and he was led to the jail weeping.

## OBITUARY

Michael Roads was born near Hebron, Licking county, Ohio, April 30, 1820. Died May 14, 1904, aged 84 years 12 days, being the last of a family of nine children. He was married to Miss Emily Wmeger, May 13, 1842. To them were born five children: Mrs. Emma Morrison, his daughter, of Centraha, Kan.; Dr. William Roads, his son, of San Diego, Cal., still living.

He purchased a farm near the old homestead, where he and his wife settled, and by their industry and frugality soon paid for their home and had a nice surplus on hand. Encouraged by his success, he concluded to sell out and go West, which he did in 1865, purchased a beautiful farm in the great corn belt of central Illinois and for a while prospered, but adversities came, when he again returned to Ohio, and died in sight of his former home and the old homestead, at the residence of Jesse E. Giger, his nephew. He, being fourscore years of age, saw many changes. The country that was once covered with dense forests had given way to beautiful and fertile fields of grain and luxuriant pasture lands.

Among the improvements he had seen—the digging of the Ohio canal, the building of the National pike, the laying of the steel rails for steam and electric roads taking the place of the horse boat and stage coach; the threading of the country with telegraph and telephone lines uniting city with country, some of the things unthought of in his boyhood days.

He was a staunch Democrat having voted that belief all his life. He was a member of the Primitive Baptist church for many years, being finally established in that faith.

He had many warm friends who will hold him in fond remembrance, care to his ashes.

## GEORGE DIXON

Mr. George Dixon one of the best known residents of Newark died Saturday morning at 5:30 o'clock at his

home on Buchanan street, after an illness of six months with dropsy. The deceased was born in Kirtersville on July 12, 1835, and was therefore aged 69 years 10 months and 9 days. He was a veteran of the Civil war and was a member of Legions Post, No. 71, G. A. R. of this city under whose auspices the funeral will be held tomorrow (Sunday afternoon) at two o'clock, from his late residence. The interment will be made in Cedar Hill cemetery. He leaves a widow to mourn his death. She has the sympathy of all her friends in her affliction.

## THOMAS GRIFFIN.

Mrs. Clyde Richards, of Valandigham street, has received a message stating that her first cousin, Thomas Griffin, a prominent grocer, died at his home in Chicago after an illness of a few days from Bright's disease of the kidneys. Mr. Griffin was born in Harver, this county, and learned the trade of a machinist in this city and resided here some twenty years, when he went to Chicago, where he engaged in railroading, after some years becoming an engineer on the Nickel Plate system. For over ten years he has been engaged in the grocery business, meeting with good success. He is survived by a wife and two children, his aged mother, two brothers and two sisters, and was a cousin to Mrs. Richards. Mrs. John Dorchuk and the family of the late Mrs. Frank Loder, of this city. He also had many relatives in Delaware and Shawnee, this state. He was a Democrat and was prominent in politics in Chicago, being an alderman at the time of his death. He was highly esteemed wherever known, was a consistent Christian and his many friends in Newark will regret to learn of his untimely death.

## HUMAN DELUGE WILL STRIKE THE ROSEBUD

Railroads Are Making Ready to Carry 25,000 Persons Into Reservation.

Chamberlain, S. D., May 21.—Although the Rosebud Indian reservation in South Dakota will not be open to settlers until July 5, preparations are already making to provide transportation for the large crowds expected to take up the 552,000 acres. Two steamers, which will start from Chamberlain, have already been chartered, and the people at Bonesteel, Fairfax, Platte and Geddes are getting together horses and wagons of all sorts. The Chicago, Milwaukee & St. Paul and the Chicago & Northwestern, the two railroads which run nearest the reservation, are arranging to take care of 25,000 persons.

The president's proclamation opening the reservation was issued only May 13, but the railway officials are already receiving from 300 to 400 letters a day about the lands. As great a crowd is expected as that present at the opening of the Oklahoma reservation, but arrangements are making to prevent the scenes of disorder which characterized the rush into that territory.

## CASE

Against Gillespie Will Probably Close Early Next Week—New Witnesses for Defense Examined.

Rising Sun, Ind., May 21.—The close of the trial of James Gillespie and the co-defendants for the assassination of Elizabeth Gillespie appears to be less than a week away.

Earl Seward, a nephew of Elizabeth Gillespie, the murdered woman, testified under cross examination Friday that he and James Gillespie retired at 2 o'clock, on the night of the assassination, and that he was sleeping so soundly that he did not hear the posse of citizens headed by Marshal Overly, when they were in the Seward yard, in search of clues that night. He said that neither Jim, his mother or himself went over to the Gillespie house that night to inquire about his aunt's condition.

When James Gillespie entered the court room Saturday morning, a sprig of lilacs of the valley was pinned on his lapel by his sister, Mrs. Belle Seward. Gillespie looks weary, and the strain of the trial is showing on all the defendants. Judge Downey stated before court convened that he intended if possible to have the evidence closed by Monday night. A conference was held with the judge by the attorneys and it was agreed not to put any of the defendants on the stand until Monday.

There was some surprise when the defense called as its first witness Saturday Fannie Detmer, who was formerly a servant in the Barbour home. It was generally supposed that this witness would be used by the State in rebuttal. She testified that she heard the shot which killed Elizabeth Gillespie. She was in the kitchen when Mrs. Barbour and Myron Barbour were in the front room, reading a paper. She said that as soon as the shot was fired, she heard Barbour open the front door. Mr. and Mrs. Barbour both went out of the front door soon after, according to the witness. She testified further that Mrs. Barbour was watering flowers when the shot was fired. She denied that she had testified before the grand jury that Mrs. Barbour gave her a peculiar look when they heard the shot.

Several other witnesses followed— their evidence being along the line of the alibi which the defense is attempting to prove.

Let me turnish your bond.

## RAILROAD ENGINEER KILLS HIMSELF

Steuersville, O., May 21.—Patsy Wilson, a C. and P. railroad engineer, committed suicide here yesterday in his room at the home of Edward Richards, by shooting himself twice in the head with a 32-calibre 'American Bulldog' revolver.

He worked Thursday night and after eating he joked with the family, and then went upstairs and shot himself. He has been melancholy because his wife left him last September. He served in the United States army in the Philippines.

## ON TRIAL

D. E. Jones, Former Hospital Attendant, Charged With Causing Death of a Patient.

Athens, O., May 21.—D. E. Jones, a former hospital attendant, charged with causing the death of inmate Stephen Cain, at the institution last February, was placed on trial yesterday. Prosecutor I. M. Foster is assisted by J. P. Wood. Jones is represented by General C. H. Grosvenor, E. J. Jones, of Athens, and Hollis C. Johnson, of Gallipolis. The state is attempting to prove that Cain came to his death by injuries inflicted by Jones. The defense will endeavor to prove that Cain received the injuries which caused his death by being thrown from a train after his escape from the institution.

Cain had for years been an inmate of the hospital, and came from Shawnee, Perry county. He was found dead in his room in Ward 17 with six ribs broken. In the evidence yesterday it was shown that Cain was thrown to the floor and "pumped" by Jones. This practice, it is alleged, is a common one among the attendants to compel obedience on the part of the inmates. The physicians in their testimony stated that the injuries were caused by outside pressure on the abdomen.

Only 20 witnesses so far have been examined, and there are 50 more. Jones was indicted for manslaughter.

## NOT ONE

Escaped Injury in Wreck of Rio Grande Passenger Train in Colorado Friday.

Salida, Colo., May 21.—Spreading rails Friday caused the wreck of the Denver and Rio Grande passenger train near Alamosa. Engineer Frank Evanston was killed and 40 persons injured. The wreck occurred at Cumbers Hill, a steep incline. The train left the rails and piled up beside the track. It was several hours before the victims were all removed and not one of the passengers escaped without some injuries.

## IMPROVEMENTS

Of an Extensive Nature Have Been Made on Land in West Newark.

It is not generally known that extensive improvements have been made and are now under way in the West End of the city through which a beautiful allotment is to be placed on the market upon the most extraordinary terms and at remarkably low prices. For the past three weeks The Taylor Land and Improvement Company have been improving, grading and setting out shade trees on a tract of land known as a portion of the Tompkins farm, the most beautiful land lying to the west of Newark, and situated between the Granville Street Car line and Church street, just east of the State Encampment Grounds and west of Sixteenth street. It seems that this enterprising company, with headquarters in Cleveland, Ohio, have purchased and paid cash for thirty acres of this land and placed the title in The Newark Trust Company as the trustee for all parties concerned. They have had the same surveyed, beautifully graded and nearly a thousand shade trees set out, making of it a beautiful allotment. Now that they have taken this matter up, it is surprising that this land has lain here so close to the center of the city, so accessible and so well adapted for allotting purposes, while other tracts not nearly so accessible have been built up. Mr. Taylor, the president of The Taylor Land and Improvement Company, has had over twenty years' experience in this class of business and is one of the heaviest owners of real estate in Cleveland, Toledo and other town in the state of Ohio. He is one of the substantial, unpretentious men it is safe to follow. In an interview granted our reporter this morning, Mr. Taylor said in part: "Yes, we are about to place this land upon the market. We shall open our sale Saturday, May 21st. We have

Paid-up Capital, \$100,000.00.

traveled the state of Ohio and other states over looking for land of this character to allot. We have allotted and sold thousands of lots upon our remarkable plan and terms, but we have never found anything that in our judgment equaled our 'Cherry Vale Addition to Newark.' We believe it to be the best unoccupied property in Ohio. It is easily accessible by the Granville car. The local cars will soon be running out Church street to the Encampment Grounds, right through this land. Nearly all of the largest and best factories of the city are located within easy walking distance; in fact, over three thousand men are employed within a limit of three-quarters of a mile of this land, and lots of low, wet territory has been taken up and built upon for homes for the skilled workmen. We are offering this most beautiful property about Newark at prices so low that there is practically no competition in the city with our lots. The terms upon which we are to sell these lots is only \$5.00 down and one dollar a week until paid for. No interest, no taxes to be paid by the purchaser, and in case he is taken sick, payments are suspended until he recovers. In case he dies, his family, or whoever he names as a beneficiary, receives a free deed from the Trust Company, with an abstract showing perfect title, without the payment of another cent, no matter how little has been paid upon it. We expect upon these terms and prices to sell this entire property within a few days.

We are glad to note that this enterprising company has taken hold of this property and is pushing it. It means a boom for the West End, and will materially aid in the growth and improvement of our whole city. We are told by good authority that the prices placed on this property by The Taylor Land and Improvement Company are practically wholesale prices, giving to the buyer of a single lot the opportunity to make all the profit there is in it by retailing. This Company comes with the best of recommendations from their home banks and people, and are thoroughly reliable. Not only this, but The Newark Trust Company is back of them, and is to make the title and collect all the moneys paid on the lots. We bespeak for this Company success in their enterprise, of which they are so justly deserving, and trust that they will receive the consideration and patronage from our citizens. By according this our citizens can help themselves to substantial returns on their investments.

## ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality; causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
